Attention ⚠

Your package would be fully inspected before leaving Norway , and it is illegal to send dangerous items such as **Weapon , Drugs , Strong Chemicals , Liqueurs , Biological Products , Animals & Environmental Harming Products** . If the country found above mentioned similar items in your package ; then the sender responsible for attempting to send those items . **If the Srilanka government considers your goods as the commercial items they will add some extra tax to your shipments under Srilankan tax policies ; that amount paid by the consignee .**
